THE
STEPHENS TRIBUTE

PUBLISHED BY THE
JUNIOR CLASS
OF
STEPHENS HIGH SCHOOL

In Memoriam

Raymond G. Theriault, member of the graduating class of 1947, was born September 4, 1928, and died, following an automobile accident, March 30, 1947. The son of Mrs. Stella Parise Theriault and Leo Therriault, Raymond was the oldest of a family of five boys.

As a student, in both studies and athletics, Raymond was very active. His name was continually on the term honor roll, and he was among the few selected to be in the National Honor Society. A high school "letter" man, Raymond played on the varsity teams both in baseball and in basketball.

His friendly and considerate ways, his warm personality, quiet sense of humor, and quick boyish grin, have imprinted in every one of his classmates, teachers, and friends, a memory that will always have a place in their hearts.

E. Knight.

IN MEMORIAM

God hath many ways to take us from this earth.
He calls some old, some young, and sometimes some at birth.
He beckons us when we sleep or sometimes when we are awake;
It makes but little difference; It is that, when He sees fit to take one,
He always takes the best that He can find.
For then He's sure that they are decent, wholehearted, good and kind.
Yes, God takes those first, and He knows what is best;
It may be that they've been so fine that they should have a longer rest.
These leave behind them, us, and we all pray, dear God,
That we may see them for a little while when you call us.

M. Soule.

DEDICATION

To one of the grandest teachers and friends the High School has ever known, we bid farewell. She was always kind and understanding. We shall always remember that friendly smile that greeted each and all of us when we needed aid. A more understanding person was never known among the class of '47. No matter what our troubles might have been she was always right there with a helping hand. As our dramatic coach, she was unequalled. Sometimes we wondered just how she put up with us. As our teacher and friend, there was no comparison.

As our school days finally come to an end, we can show no greater appreciation, as humble as it may seem, than to dedicate our year book to this grand person, and say, "Thanks for all you have done for us."

SCIENCE CLUB

Mrs. Minerva Anderson, Sponsor

"The purpose of the Paine Science Club is to arouse interest in, and create love for sciences, develop thoroughness in study accuracy and ability, and to promote the general welfare of the science department of Stephens High School"—taken from its Constitution.

The club has started the year 1946-1947 with new vigor and enthusiasm. Since the club is limited in membership, to the highest ranking students, the membership is small. Meetings have been interesting, with many experiments performed, and an outside speaker at one. There will be several more speakers during the year, and the club will make a

number of scientific trips during the spring. We hope to have exhibits at the State Science Congress and Fair in March. One of our members, Thomas Marchi, has already competed for the Westinghouse Scholarships by taking the examination and writing a 1000-word essay upon "My Scientific Project." If Open House is held at Bates or the University of Maine this year, the club will attend, as usual.

S. P. Q. R. CLUB

Miss Julia Murphy, Sponsor

The S. P. Q. R. Latin Club has been in existence for twenty years. Its purpose is to acquaint students with a background of Roman life and times for which time is lacking in class recitations. Once numbering over one hundred members, the present membership makes up in quality what it lacks in quantity. This year's activities include meetings at which senior members acquaint the sophomores with famous characters in mythology; pictures of Roman daily life; a Roman house with furniture and the story of the wanderings of Aeneas. The Latin Club auction is an established custom and the only source of revenue. The club colors are royal purple and white; the motto "INVICTUS," "unconquered." The club has been affiliated with the Classical Association of the

United States for several years. Last year, Ruth Ahara and Henrietta Dow were awarded honor certificates for excellence of achievement in a nation-wide contest.

Officers are:

Robert Saisi,	Emperor
Margaret Bowden,	Empress
Ann Paterson,	Scribe
Nancy Schwind,	Scribe

The present members do not subscribe to the philosophy expressed some years ago by a struggling student;

LATIN

"All are dead who ever wrote it.
All are dead who ever spoke it.
All will die who ever learn it.
Blessed death; They surely earn it."

The aim is to develop extensive reading, keen analysis of the topic debated, favorable presentation, and ability to see both sides of a question.

The club early joined the Bates Debating League.

The club got off to a late start, but by February it was working intensively on

the state wide question of Socialized Medicine.

After tryouts the club sponsor, Mr. Barker, had picked his varsity squad: James McLean, James Crawford, and Wilfred Chouinard for the affirmative side of the state question and Thomas Marchi, John Milligan and William Stearns for the negative.

LIBRARY CLUB

Mrs. Minerva Anderson, Sponsor

The aim and ideals of this club are to be of service to the school by taking charge of the library. Members also hope to increase their knowledge of books and love for them, and acquire a working knowledge of how a first-class library is managed.

Twenty-one girls have cheerfully given their service for one period a day the entire year. They have charged and

discharged books, kept the shelves in order, and the pupils, also. Meetings are held weekly at which time the sponsor, Mrs Anderson, gives them helpful hints about the work and answers any questions which may arise.

The girls hold two private social functions each year. Any girl serving two years receives a white felt block "R" against the outline of an open book.

FOOTBALL SUMMARY OF "46"

November 11th, brought to a close another brilliant championship year. The Panthers having the strongest team in the State came through with eight wins and one tie. They were the highest scoring team with 193 points, which showed that marvelous offensive attack. They were also the lowest scored upon team with twelve points against them. This proved their defensive ability.

In the first game with the Wilton Eagles on September 14th, Rumford marched to a 31-0 victory. This game was a preview of the "Power House" which coaches Ryder and Herman had developed in a short time.

On September 20th, the band plus a whole host of rooters followed the team

to Biddeford for a night game. The Panther squeaked out a 7-6 victory over the stubborn Saints.

September 28 the team went to Lewiston, where the Panthers smothered the Blue Streaks, 18-0.

October 5th, Rumford was host to Waterville. The Red Panthers sent the Purple Panthers home with their tail between their legs. We were too much for them and took the game with a 20-0 score.

October 12th, Rumford rolled over Berlin High 33-0.

October 18th, the Panthers smothered the Cony Rams to the tune of 24-0.

October 26th saw the most spectacular game of the season. The Bangor Rams marched to a touchdown during the

first five minutes of the game. This angered the Rumford Panthers so much that they literally tore the Bangor team apart during the rest of the game. The final score was 34-6.

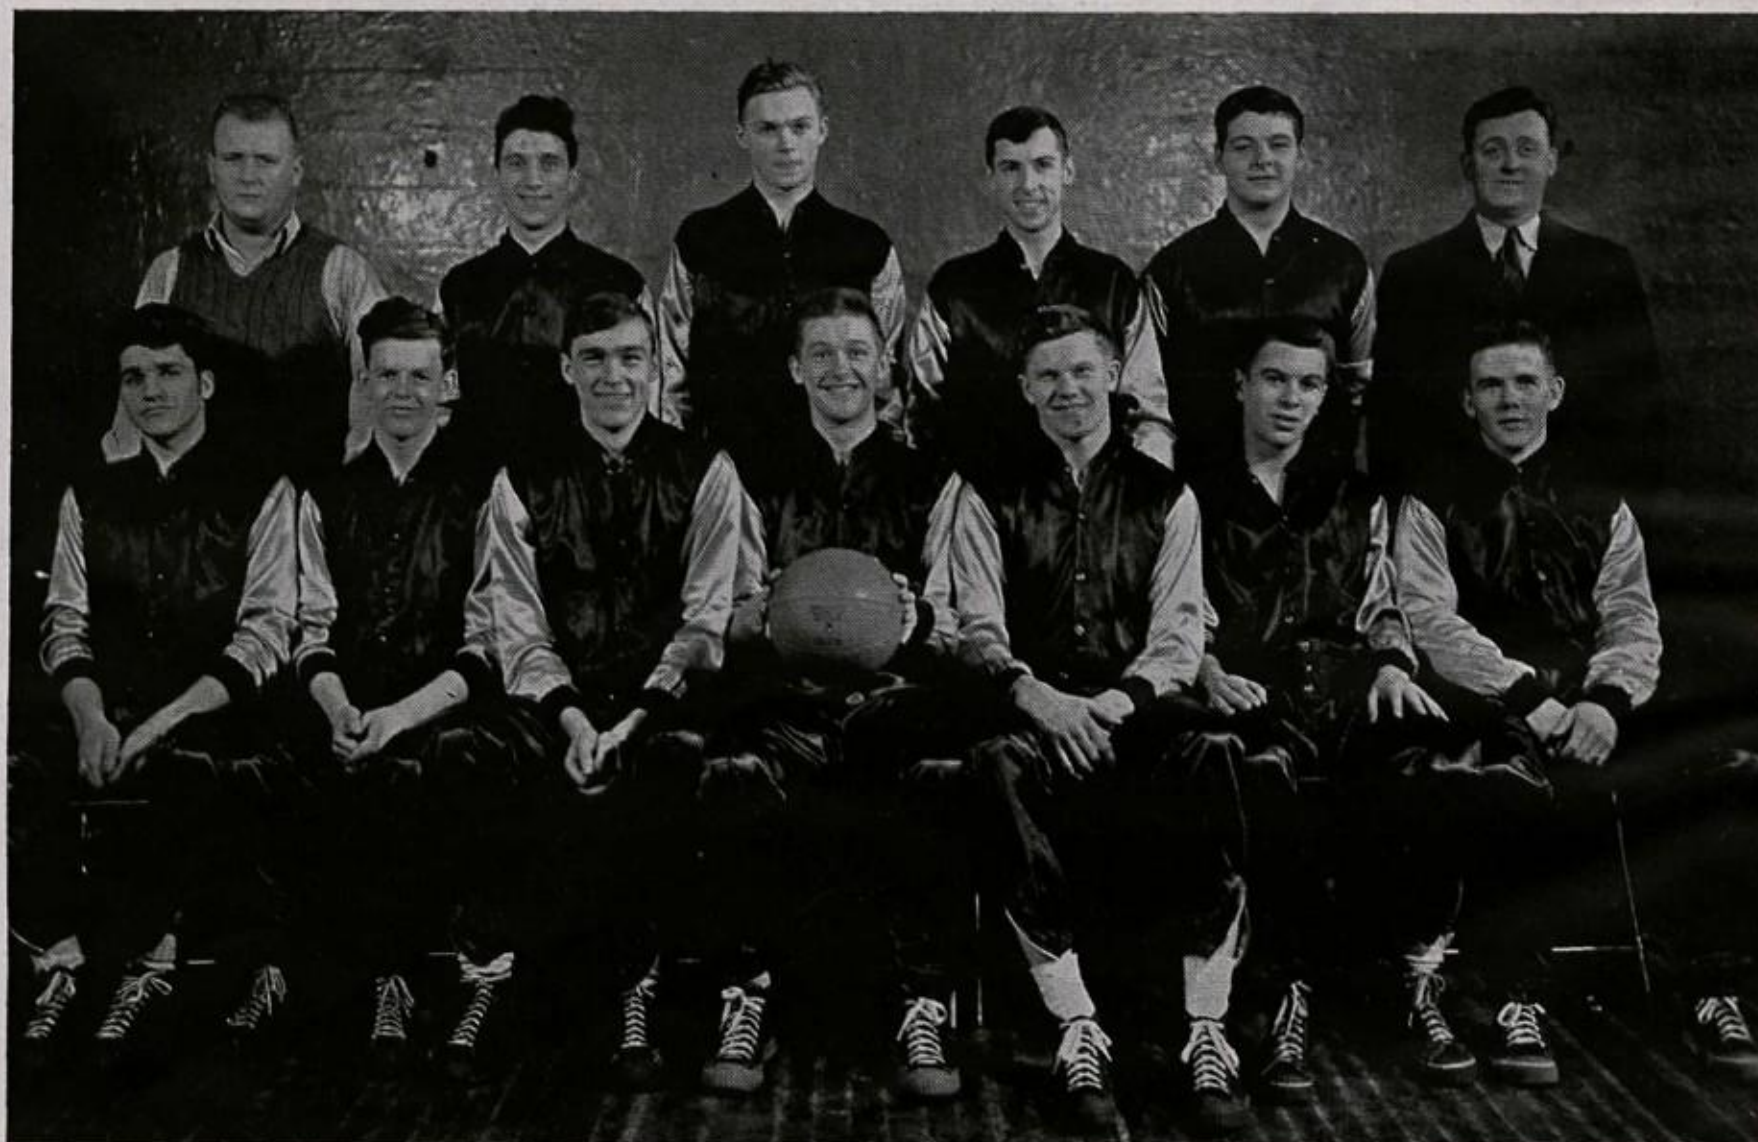

On November 2nd, the Red Eddies and the Panthers played under the most unfavorable conditions, three inches of snow. Due to the slippery field ground gains were not consistent and the game resulted in a kicking duel between Chenard and Kaubris against McIntyre. The game ended in a 0-0 tie.

November 11th, brought the two rivals, Mexico and Rumford, together. Although the Pintos put up a gallant fight,

they were no match for the Rumford Panthers. The game ended 26-0 in favor of the Panthers.

Three Stephens men were picked All State: Chendy Chenard, backfield, Class of 47, Venie Morrison, tackle, Class of 47, and Dick Melanson, end, Class of 49. These men were chosen by the sports writers and coaches. This must be a record! Rumford never had had a break like this before. The Class of 47 was well represented in making up this powerful team.

Vinnie Morrison was elected honorary captain of the year.

CHERISHED RECOLLECTIONS

May the TRIBUTE stand not only as a record of achievement, but also as an album of our most-treasured memories.

Sept. 3, 1946. At last we're seniors. Gee. I thought it would never come. We had a short assembly; Mr. Brown, our new principal spoke to us. He's going to be swell. The boys looked swell in their football uniforms. I hope we're State Champs this year. Also, we received band letters. Gosh, what a proud feeling.

Sept. 4. Nothing much happened today. We went to our first classes. I guess we're going to have to study.

Sept. 5. The Junior High's are still in a daze. I'm expecting one to land in the boiler room. Have to be careful going around corners, you can never tell when one of them will pop out at you.

Sept. 6. Gee, I'm getting tired of school already, and only a few days have gone by. "Broadcast" started today. Gee, I hope we all enjoy it as we did last year. Mr. Barker will be fun to work with. One whole week has gone, and now the week-end is mine. I hope he asks to take me to the movies!

Sept. 9. Had a band practice today! OH ****! Also picked cheer leaders. They were: Isabelle Gallant, Ruth Broomhall, Joan Leader, Evelyn Knight, Beverly Delano, Leah Rowley, Teddy Finethy, Lorraine Ross, Jackie Legere, Gloria Legere, and Doris Carrier. Gee, what a snappy bunch.

Sept. 10. Today was a dull dreary day. The picking of a head cheer leader made it a little interesting. We picked "Lynn" Knight for the head. Also, had band practice. It was slightly better than the last one.

Sept. 11. Irene Beaudet (a Senior, of course,) was picked as head drum-major! Golly, I bet she'll look neat. They couldn't have picked a snappier one. I shouldn't mention it, but we had another band practice (which by the way was worse than all of them).

Sept. 12. We had our first Student Council meeting today. We elected officers, and they were as follows: Pres., Jean Constantine, Vice Pres., Paul Sirois, Sec. and Treas., Jackie Herbert. I hope they prove to be successful.

Sept. 13. We had our first assembly program today. They showed us movies on our favorite subjects CARTOONS. A subject that even the bewildered

Freshmen can understand. The films were made up of Walt Disney's cartoons that were made in South America. Gee, they were cute. Last day of school for another week. We play football tomorrow! Wilton is our first opponent. He will be playing right end. I'm so excited!

will be playing right-end. I'm so excited!

Sept. 16. Guess what !!! We won! As if that was something to be excited over. I just knew we would. We beat Wilton 31 to 0. HE made the first tackle of the year. Today was just another blue Monday.

Sept. 17. Tuesday, and it proved to be slightly more boring than Monday.

Sept. 18. What an assembly program we had today. It was really a pep rally. The seniors cheered the loudest, of course. Everyone was so enthused over football.

Sept. 19. Gosh, I thought I would never get through shorthand today. Miss Allen can certainly pile on the work! Maybe if I studied

Sept. 20. We won, we won, we won! we actually beat Biddeford 7 to 6. I prayed so darn hard. What a close game. Boy, was I scared a few times. The band went too. I don't know which made the most noise, the band or the light generators! What a nice way to end another week.

Sept. 22. Well, it won't be long before the seniors are looking at the birdie. Vantine came to visit us. Loring studio was well represented too. Oh, dear, which studio to pick!

Sept. 24. Committees were started for the senior social. Of course it will just have to be a success.

Sept. 25. Commercial Club held its first meeting of the year. Officers were elected, and they were as follows: Pres., Jackie Herbert, Vice Pres., Jean Constantine, Sec., Anita Carrier, Treas., Anita Politis. From what we hear, elaborate plans for a banquet were made.

Sept. 26. What an eventful day! Mr. Hayden visited the seniors about pictures. A gentleman came to see us about commencement programs.

Sept. 27. We had our social tonight. It was a grand success, and almost everybody thought their money well spent. He took me home too. Humm

Sept. 30. Well, I'm nearly bursting with pride. We beat Lewiston 18-0. I still

- can't believe it. It was a wonderful game. I was on edge all through it. Need I say more?
- Oct. 1, 1946. Another month started. There aren't so very many left either. I can't get sentimental about school (or can I). We had a pretty snappy band practice today, then went to the usual football practice.
- Oct. 2. The Commercial Club went to Roxbury Pond. I heard it was quite a party. Even Anita Politis had enough to eat. Kelly just couldn't get enough hot dogs.
- Oct. 3. Jackson and White visited us today about class pictures. But, we've about decided for Vantine to take our pictures.
- Oct. 4. An assembly program on a trip to Africa proved to be interesting. The pep rally was perfect. Everybody hollered for the team to do well at the Waterville game tomorrow.
- Oct. 7. We did it again. We beat Waterville 20--0. Golly, Mr. Ryder must be proud of his boys. Most of them are seniors. No wonder we feel so proud. Had another band practice today. It turned out better than usual. Poor Mr. Cohen.
- Oct. 8. Today was something like a holiday, that is, we got out at 3:00 o'clock. Even the seniors didn't complain at such a gift.
- Oct. 9. Wednesday was just plain dull Wednesday.
- Oct. 10. Today made up for yesterday. We had a swell assembly. Mr. Ryder had the boys each say a few words about what they thought they would do this year. Some of them were pretty cute. The cheerleaders had their social tonight. Gee, it was swell, and, the most important thing, THE TEACHERS' CONVENTION, which means a few days off.
- Oct. 14. What a nice vacation. We went to Berlin Sat. and trimmed them 33--0. Will wonders never cease. School seems dull after that nice vacation.
- Oct. 15. Had a Student Council meeting. Still can't get adjusted after that nice vacation.
- Oct. 16. Had another band practice today. Also, Mr. Brown talked with a few students about a team that would go on the radio, in a quiz on the State of Maine, and English grammar.
- Oct. 17. Everyone is enthused over the Quiz team. It must be nice to be smart. HO, HUM! Had band practice today too.
- Oct. 18. Last day of school for another week. We had a swell assembly program. Community singing, and pep rally. We're all anxious for the Cony game.
- Oct. 21. We did it again. We beat Cony 24--0. The J. V.'s played Lewiston J. V.'s, and it was a tied game. They have a scrappy team tho'. In a couple of years they will be as good as the Varsity team.
- Oct. 22. We had a swell assembly program today. We had a speaker from Alaska. Alaska here I come! School seemed boring compared to his trips. No school after 12:30 tomorrow because of teachers' convention. (County) Also, got rank cards. I'm glad I studied!
- Oct. 28. Well, another swell week-end is over. Sat. we beat BANGOR 34--6. Gee, it was a swell game. We made a touch-down in 4 plays. I guess Re-Pop had a swell time. At least, he gave everyone else a swell time after the game. But, after the neat game he played, well
- Oct. 29. Oh, what a lot of studying. Will it never cease???
- Oct. 30. Just another dull day!
- Oct. 31. Halloween finally arrived. Everyone had a good time, I think, and I'll know after tomorrow's recitation.
- Nov. 1. Another month started. We had a swell assembly program on Key Concerts. Mr. Ryder spoke on the coming game. The game with Edward Little really counts. I hope, I hope, I hope
- Nov. 4. The score was 0--0. The boys played so very hard. But, the ground was covered with wet slush. They had to keep wiping the ball. How could this happen to us? Well, at least we didn't get beaten. Chendee played a wonderful game. He should make the State team.
- Nov. 5. The radio announcer said that if anyone wanted to claim State Champs, they would have to first beat Stephens. Gee, that makes me feel good.
- Nov. 6. Another one of those dull days.
- Nov. 7. Hospital Fair took place today. Everyone was interested in what they had to offer, and school couldn't get over soon enough. I didn't win the car either. Darn!
- Nov. 8. Play practice got underway for Junior Miss! Sounds interesting.
- Nov. 11. The football boys went to Boston over the week-end. Gee, I bet they had fun. The Coach took them to see a college game. Today is Armistice day. We played Mexico, and beat them 26--0. Need I say more????? Teen Town started today. Everybody had a swell time.

The decorations were so appropriate. Red and White, Black and Orange.

Nov. 12. National Education Week has started. I hope that my parents don't come. I wouldn't want to embarrass them by showing them how dumb I really am.

Nov. 13. The lower classes put on a program entitled "Looking Ahead for Tomorrow." All the parents liked it too. Had another play practice.

Nov. 14. The seniors entertained the mothers today. Every senior wore his best suit of manners. Blame us? Had another play practice after supper too.

Nov. 15. We all went to the big football dance tonight. Spike Theriault won the football. Gee, what a swell time. HE took me home again. I still have stars in my eyes. Am I glad tomorrow is Sat., I can sleep!

Nov. 18. Football practice went on as usual. They are expecting a post-season game with Gardiner.

Nov. 19. Play practice is coming along fine. Almost everyone knows his lines.

Nov. 20. I wish that something exciting would happen! All we had was another play practice.

Nov. 21. We had both a band practice and a Student Council meeting. Both went over swell.

Nov. 22. Last day of school at last! The Student Council is planning to attend a meeting at . . . It should be fun. But, I have such a cold, that I can hardly speak. Guess I can't go!

Nov. 25. Only a few days in this week, and then we have another vacation. Can I wait?

Nov. 26. The Student Council went over to Mexico to talk over a few things with their Council.

Nov. 27. Gosh, I thought it would never come. The last halfday of school before a vacation. Guess I'll go hunting. Happy vacation to all.

Dec. 2. Another month started. We are all back to school again. I must adjust myself to studying, when we get another vacation. Oh dear.

Dec. 3. Play practice was swell. I guess it will be really worth seeing when they finish.

Dec. 4. Nothing happened at all today. Except, I actually paid attention in class.

Dec. 5. We had a big play practice today with scoldings in mind. Mrs. Warner stated that we simply had to attend

practices or else. Guess she means business.

Dec. 6. We had our class pictures taken. Gosh, I hope they come out just half-way decent. But, with the subject and all.

Dec. 9. Monday, again. The matinee was postponed. Thank goodness! That gives us a few days to practice. We certainly need them.

Dec. 10. Our last play rehearsal, I hope I've heard what Mrs. Warner told us about not being stage struck. I don't think so, 'cause my legs are shaking just thinking about it.

Dec. 11. Well, we had the matinee, and the kids liked us. Tomorrow night will really tell. I hope that I can remember my lines. Oh, is my mind a mess? The boys went down to Hotel Harris, for the Chamber of Commerce banquet. I bet they have a good time.

Dec. 12. Yipee! The play was a huge success. The house was packed, and everyone wanted us to put it on again. My knees are still shaking. But, it was wonderful.

Dec. 13. We had a swell assembly this morning. We had some more cartoons. Everyone thought they were really good. Also, tried to collect money for Teen Town. Didn't succeed.

Dec. 16. Had another assembly program, with all the Christmas spirit. We all sang Christmas Carols etc. Gee, it was nice. The Glee Club was so very nice! Merry Christmas to all. And, I hope he buys you just what you wanted. I know HE will!

Dec. 17. Nothing much happened today. It's fun throwing snowballs, but it's not so much fun paying the penalty. Which will it be, kids, . . . so, no more snow balls.

Jan. 2, 1947. Well, this is the last long stretch for the seniors and it won't be long now. Now that time is getting shorter and parting nearer, I'm wondering if I'm really as glad to leave as I said I was!!!

Jan. 3. Short week! Last day of school! Seniors ordered their pictures. May the boys look handsome, and the girls look beautiful. (and may Mom have the money to pay for them).

Jan. 6. More pictures taken! We're almost ready for moving pictures. A good day for skiing, and that's about all.

Jan. 7. Had an assembly today with good movies. Also, Rumford played Farmington and beat them 39--33. A good start for basketball!

- Jan. 8. All Mr. Barker's students were on a ram-page! To think that he would demand the seniors to write book reports! We only had a four-week notice too! Today was the day of reckoning for those who didn't have them done.
- Jan. 9. Stencils, Stencils, stencils, that's all we've been doing these last couple of days. I go to bed nights counting stencils instead of sheep.
- Jan. 10. Rumford played Cheverus, and although we didn't win, the team still looks promising. The score was 36--50.
- Jan. 12. We beat our old rival, Mexico, Sat. night. If we hadn't, we would have never lived it down. Everyone is busy preparing for exams. I'm too busy preparing for my funeral after the exams.
- Jan. 14. Two things happened today, one good, and the other not so good. One exam is over (English) and the other is that Rumford lost to Berlin at Berlin. The score was 71--51.
- Jan. 15. No exams, no school.
- Jan. 16. Had another exam to day. Ugh! But, there are still no classes (regular) going on.
- Jan. 17. No more exams for me. Hurray! Also, Rumford beat Thornton! Gee, that was certainly wonderful. The score was 43--41.
- Jan. 20. Wet weather. No school. (No one complained).
- Jan. 21. Had school today. Made up for yesterday. Rumford played Lewiston. We lost-----41--33. We got our glossy prints today. Now, all we need is the money to pay for the pictures when they come.
- Jan. 22. Just another dull day.
- Jan. 23. Since exams, it seems as if everyone is cutting down on their studies. The warning was, this is not the end, which probably means that seniors are spending money for graduation for nothing unless they get back in step.
- Jan. 24. Well, I didn't realize we had so much talent in this school. We had a swell assembly. Irene Beaudet sang, Reggie Vachon played his trumpet, Nonie Dinsmore played the piano, Bev Delano played the piano, and Fern Melanson tickled the keys. It was really a grand assembly. We played basketball with Edward Little and lost by a few points. The score was 35-31.
- Jan. 27. Had a Student Council meeting today. It was agreed that the Juniors could do a swell job on our year book. Hope they didn't have too much trouble.
- Jan. 28. Everybody looked at the birdie

today. Vantine was here and took everybody's picture. Everyone was glad to get out of class. We also played basketball with Berlin again—Still no luck, the score being 29-24 Berlin's favor.

Jan. 29. Everyone felt somewhat sick today. Rank cards appeared from out of no where. Lucky people who studied instead of taking in "just one more movie." We lost again. This time Farmington took Rumford over by a score of 37-34.

Jan. 30. Today was a busy day for some girls, namely those who were chosen candidates for Carnival Queen. Of course, all the seniors knew that Pauline Perry, our dark eyed beauty, will win. But, keep it under your hat!

Jan. 31. The last day of the month, and it certainly went out wonderful. We had a swell assembly this morning. We had movies on County Fair, Hunting Crocodiles, and Water Sports. Doris Carrier sang for all, and Einar Wulff played an original composition. Tonight, all attended the Home Ec Cabaret. HE took me, and gosh, did we have fun. They had a swell floor show and all. It certainly was fun. Lillian Gurschick made an awfully nice looking hostess.

Feb. 3. Back to school again, welcoming a brand new month. Gosh, there are so few left.....Had a Student Council meeting today. It was voted that the athletes of the school would receive a new type of letter. On the letter would be a miniature of whatever sport they went out for (cloth). They would be nice. Today was also town election day. The teachers received their raises too. They deserved it! Little does one know what they must go through trying to pound sense into our heads.

Feb. 4. Second day of the month, and very dull!

Feb. 5. The Freshmen are really going right to town for their queen. They had a nice movie in the auditorium today and charged all a dime to see it. The Faculty and Vet's game was canceled. Probably the Faculty wanted to get a little limbered up first!

Feb. 6. All the fellows who wanted to join the "R" Club paid for it today. What a sight! Long legs dangling here and there, lipstick all over their faces, onions down their faces, and to top all, fish hanging beside the onions. I guess none of them were too hungry either. I wonder why? Didn't you think Bugs Bragoli looked cute? And did you see the beautiful legs on Ralph Oldham?

- Feb. 7. The seniors performed for their Queen today. Bill Wynaught was master of ceremonies. Everyone enjoyed the Legere girls tap dance, and her pal's guitar playing (guess who?). Loraine Canders played her accordian for us, and Mrs. Warner's reading was enjoyed by all. And of course, everyone's favorite, Doris Carrier, sang for us. But--last and not least, a new group of talented artists were discovered. Mike Lavgna, Dick Shea, Don Curley, and Francis Trembley gave us their version of "A Girl in Calico." They were so good, that the crowd begged them to sing again. Oh, to be talented! Lewiston also beat Rumford today, the score being 47-33.
- Feb. 10. School became dull for just one day!
- Feb. 11. Had band practice today. Harry Cohen came back from the hospital, and everyone was so glad to see him. I hope he isn't ill again. Rumford won again! This time it was Rumford 47--Livermore 27. Gosh, I'm so glad!
- Feb. 12. News was rumored that the seniors' ranks would soon be out. Those who didn't study are feeling sorry for themselves.
- Feb. 13. No more news on ranks. Guess it was just a dud.
- Feb. 14. Valentine Day, and he bought me a beautiful box of chocolates. Hmmm! Rumford played Mexico, and we actually lost. The score was 35--27. Gee, everyone was disappointed.
- Feb. 17. What a week-end! We had our carnival, and we won the ski meet. Everyone did well. The carnival ball was a huge success. The queen who won was none other than our own senior, Pauline Perry. Gee, she looked so lovely. All the attendants certainly made a beautiful picture. Mr. Brennick presented a cup to the boys for winning the meet. Senior ranks came out today. How was yours?
- Feb. 18. Had a Commercial Club meeting today. Received lots of new members. Basketball is getting under way with girls also. Everyone is preparing for the tournament. Rumford played Edward Little and lost 34--28.
- Feb. 19. Once in awhile, the activities calm down; this is one occasion.
- Feb. 20. Commercial Club had a nice banquet tonight. Buffet style. Everyone had a nice time welcoming in the Juniors.
- Feb. 21. Big snow storm---very dull!
- Feb. 24. Everyone has taken advantage of the fine skiing. Both young and old can

be seen at the ski-tow! Personally, I like swimming, it's not so dangerous.

Feb. 25. Another dull day!

Feb. 26. Yours truly, and a few other senior girls started out for Boston today. Can't wait to see the Ice Follies.

Feb. 28. We played Thornton again. This time the tables were turned, the score being 40--30 in their favor.

March 1. Well, this is the end of the diary. I only hope that each and every senior (and underclassman) who picks up the Tribute in years to come, gets a little something out of what each day in this school has meant. Perhaps just browsing through will bring forth many pleasing memories. As a class, we may never all be together; in thoughts we shall never have separated.
